LIST A -- 3 hr Classes

LIST B -- 4 hr Classes

Dynamic Judging

Music, Presentation, and Singing judges will score performers in front of your eyes. You will see the pencils flying. Then the numbers will be analysed and discussed. For everyone who wants to understand the contest system.

Drawing From Within- The Actor Prepares

Pat Brown (TNT - the guy who always falls down) will open your mind and heart to the messages of our songs. The honesty of our performance is what grabs the audience.

Standing Ovation Program

This class reviews this Society Program and ends up certifying you as an official SOA evaluator. It is also great for learning about the basic elements of a great show.

New Age Breathing

Breathing is a good habit. Learn how proper breathing and posture can support your singing, performing, health success. Elements of Yoga, Pilates and Alexander Technique will appear in this class.

LIST C -- 6 hr Classes

Advanced Coaching - Coaches - You will work with our faculty of fabulous coaches.

Pick Up Quartetting - Coaches - Even if you are not in an active quartet, you do not have to miss the learning.

Quartet Clinic - faculty are our usual collection of stellar coaches

Quartets of all levels of experience are welcomed, from novice to Ontario Champions. You will be revealed at a level appropriate to your goals and experience.

Quartets who will be arriving Friday evening can sign up for more coaching.

Create your Best Performance

A show is more than just a collection of great tunes. Dave McEachern will expand your horizons about how to create a great show package. Recommended for everyone especially Directors and music team.

Barbershop Chords and Progressions

This class will introduce you to bar chords, how to identify them and what they do for our music.

Sing Better Than ever

Our good friend and coach par excellence, Gene Linover will share his voice teaching skills with you. The class will be a treat and you will come out being a better singer.

Chorus Directing With Bill Rashleigh

A Society Music Staff member, Bill is an extraordinary teacher. Anyone who has anything to do with leading singing, directing, or helps with the music program of their chapter will benefit from this afternoon with Bill.

Show Production - Technical

Sound or later you have to make the chorus and quartets look and sound great on your stage. This hands on class shows you how. In addition we will be the technical crew for the Saturday Night show.
