Way to go, Ted!

Congratulations to **Ted McAlpine** for a fifth-place showing in the PROBE International Bulletin Contest. He also won the **Dick Girvin Most Improved Bulletin Award** for moving from 18th place in 2005 to fifth-place in 2006.

In accepting the accolades from the *Chordsmen*, Ted gave credit to his wife **Joy** for her help and effort in bringing *Off The Risers* to this level of excellence. Ted said that he and Joy studied the feedback from the judges in 2005 and did their best to implement their suggestions. ✨
